

— Step 55: Manufacturing Production Order Archetypes —

- **Navigation Path:** Manufacturing -> master data -> Manufacturing Order Type -> click +

The screenshot shows a web application interface for COSMICNEXT. A modal dialog titled "Adding" is open, allowing the user to create a new Manufacturing Order Type. The dialog has three input fields: "Manufacturing Order Type" with a placeholder "Enter manufacturing order type", "Description" with a placeholder "Description", and "Status" with a dropdown menu currently showing "Active". At the bottom right of the dialog are "Cancel" and "Confirm" buttons. The background shows the application's navigation menu with options like Procurement, Inventory, Manufacturing, Logistics, Finance, and Orders, and a top header with tabs for Transactions, Planning, and Master Data.

- **Purpose:** Governs tracking parameters for plant floor assembly orders, defining cost settlement rules.
- **Data Entry Values:**
 - **MO Type Code:** MOT-STANDARD
 - **MO Type Name:** Standard Internal Production Run

User Action: Click **Save/Submit** to complete the production category setup.
