

— Step 38: Commercial Finished Product Registration —

- **Navigation Path:** settings -> Order Config -> product -> click +

The screenshot displays the 'Product Registration' form in the CosmicNext Supply Chain system. The form is organized into several sections:

- Product Code:** A text input field.
- Unit:** A text input field.
- Status:** A dropdown menu currently set to 'Active'.
- Product Name:** A text input field.
- Product Category:** A dropdown menu with the option 'Select Product Category'.
- Cost:** A text input field showing '0.00'.
- Price:** A text input field showing '0.00'.
- Barcode:** A text input field showing '0'.
- Description:** A text input field.
- Product Variant:** A table with the following columns: Variant Name, Price, Cost, Bar Code, and Action. The table is currently empty.

At the bottom of the form, there is an 'Add Item' button and a 'submit' button. The user 'robert baratheon' is logged in, as indicated by the top right corner of the interface.

-
- **Purpose:** Registers the commercial sales identity of the finished item shipped out to customers.
- **Data Entry Values:**
 - **Product No:** PROD-GYM-1L
 - **Product Name:** 1L Insulated Gym Bottle - Matte Black
 - **Product Category:** [Dropdown Selection] Select Premium Lifestyle Drinkware (Created in Step 37)
 - **Base Unit of Measure:** [Dropdown Selection] Select Pieces (Created in Step 27)

User Action: Click **Save/Submit** to close out the product catalog registration.
