

Step 33: Finance & Costing → Cost Settlement Rule

- **Navigation Path:** finance & costing -> planning -> cost settlement rule -> + button

The screenshot shows the SAP 'Adding' screen for a Cost Settlement Rule. The left sidebar contains a navigation menu with the following items: Procurement, Inventory & Warehouse, Manufacturing, Logistics & Transportation, Finance & Costing (highlighted), and Order-to-Cash. The main content area is titled 'Adding' and contains the following fields:

- Cost Settlement Rule No.**: A text input field with the placeholder 'Enter cost settlement rule number'.
- Order Type**: A dropdown menu with the placeholder 'Select Order Type'.
- Set Basis**: A text input field with the placeholder 'Enter Set Basis'.
- Set Percent**: A text input field with the placeholder 'Enter Set Percent'.
- Valid From**: A date input field with the placeholder 'mm/dd/yyyy' and a calendar icon.
- Valid To**: A date input field with the placeholder 'mm/dd/yyyy' and a calendar icon.
- Description**: A text input field with the placeholder 'Description'.

At the bottom right of the form are two buttons: 'Cancel' and 'Confirm'. On the far right, a partial view of the 'Cost Settlement Rule List' is visible, showing a table with a '+' button and a 'Setting' button.

- **Purpose:** Maps specific variance cost accounts to target cost centers and internal corporate lines.
- **Operational Data Entry Values:**
 - **Cost Settlement Rule Code / No:** CSR-MO-VAR
 - **Rule Type Name:** Production Variance Settlement
 - **Description:** Directs production financial variances to the main Drinkware Business Segment.
