

— Step 13: Industry Segment Classifications —

- **Navigation Path:** settings -> Global attributes -> Industry -> click +

The screenshot shows the COSMICNEXT application interface. A modal dialog box titled 'Adding' is open, allowing for the creation of a new industry segment. The dialog has two input fields: 'Industry' and 'Description'. The 'Industry' field contains the text 'Industry' and the 'Description' field contains the text 'Description'. At the bottom right of the dialog are 'Cancel' and 'Confirm' buttons. The background shows the application's navigation menu with options like Procurement, Inventory, Manufacturing, Logistics, Finance, and Orders. The user's name 'robert baratheon' is visible in the top right corner. A copyright notice 'Copyright © 2026. By Cosmic Next' is at the bottom of the page.

- **Purpose:** Groups vendor and customer accounts by macro-industry sectors for procurement reporting and strategic sourcing metrics.
- **Data Entry Values:**
 - **Industry Name:** Metals & Material Processing
 - **Description:** Suppliers and processing facilities specializing in raw metals, sheets, and structural elements.

User Action: Click **Save/Submit** to save the industry type.
