

— Step 25: Material Master Structural Types —

- **Navigation Path:** inventory & warehouse -> master data -> Material Type -> click +

The screenshot shows the COSMICNEXT web application interface. The top navigation bar includes the COSMICNEXT logo, a menu icon, and tabs for TRANSACTIONS, PLANNING, and MASTER DATA. The user's name, robert baratheon, is displayed in the top right corner. A modal dialog titled 'Adding' is open, featuring two input fields: 'Material Type' and 'Description'. The dialog has 'Cancel' and 'Confirm' buttons at the bottom right. The background shows a sidebar with various modules like Procurement, Inventory, Manufacturing, Logistics, Finance, and Order Management, and a main content area with a table and pagination controls.

- **Purpose:** Sets the control behavior (such as financial tracking or stock mapping) for inventory items.
- **Data Entry Values:**
 - **Material Type Name:** Raw Production Materials

User Action: Click **Save/Submit** to log the material type.
