

— Step 27: Base Units of Measure (UOM) —

- **Navigation Path:** inventory & warehouse -> master data -> UOM -> click +

The screenshot shows the COSMICNEXT application interface. At the top, there is a navigation bar with the COSMICNEXT logo and tabs for TRANSACTIONS, PLANNING, and MASTER DATA. The MASTER DATA tab is selected. On the right of the navigation bar, the user's name 'robert baratheon' is displayed with a dropdown arrow. A modal window titled 'Adding' is open in the center. It contains two input fields: 'UOM Name' with the placeholder text 'Enter UOM' and 'Description' with the placeholder text 'Description'. At the bottom right of the modal are two buttons: 'Cancel' and 'Confirm'. The background of the application shows a sidebar with various menu items like Procurement, Inventory, Manufacturing, Logistics, Finance, and Order Management. At the bottom of the screen, a copyright notice reads 'Copyright © 2026. By Cosmic Next'.

- **Purpose:** Establishes the core structural count unit used across your warehouse networks.
- **Data Entry Values:**
 - **UOM Name:** Pieces
 - **Description:** package

User Action: Click **Save/Submit** to create the base UOM.
