

## — Step 50: Strategic Procurement Organizations —

- **Navigation Path:** Procurement -> master data -> Procurement Organization -> click +

The screenshot shows a web-based form titled "Adding" for creating a new Procurement Organization. The form is displayed within a browser window with a sidebar menu on the left containing items like "Procurement", "Inventory", "Manufacturing", "Logistics", "Finance", and "Order Management". The form fields are as follows:

- Procurement Organization Code:** A text input field with the placeholder "Procurement Organization Code".
- Procurement Organization:** A text input field with the placeholder "Procurement Organization".
- Company:** A dropdown menu with the placeholder "Select Company Name".
- Country:** A dropdown menu with the placeholder "Select Country".
- Description:** A text input field with the placeholder "Description".

At the bottom right of the form, there are two buttons: "Cancel" and "Confirm".

- **Purpose:** Builds the legal internal matrix unit responsible for negotiating material vendor pricing, contracts, and supplier setups.
- **Data Entry Values:**
  - **Procurement Org Code:** PORG-US-EAST
  - **Procurement Org Name:** North American Materials Sourcing
  - **Company Owner:** *[Dropdown Selection]* Select Cosmic Bottling Corp (Created in Step 6)

**User Action:** Click **Save/Submit** to register the procurement org shell.
