

— Step 46: Material Requirements Planning Execution —

- **Navigation Path:** inventory & warehouse -> Planning -> Material planning run -> click +

The screenshot shows a web application interface for 'COSMIC SUPPLY CHAIN'. A modal window titled 'Adding' is open, displaying a form for creating a new Material Planning Run. The form includes the following fields:

- Material Planning Run No.:** A text input field with the placeholder 'Enter number'.
- Requirements Met:** A dropdown menu currently showing 'Yes - Fully Covered'.
- MRP Count:** A text input field with the value '0'.
- Description:** A text input field with the placeholder 'Description'.
- Material Planning No.:** A dropdown menu with the option 'Select Material Planning'.
- Material Planning Run Status:** A dropdown menu with the option 'Select Status'.

At the bottom right of the modal, there are two buttons: 'Cancel' and 'Confirm'. The background shows a sidebar with navigation links: Procurement, Inventory & Warehouse, Manufacturing, Logistics & Transportation, Finance & Costing, and Order-to-Cash.

- **Purpose:** Runs the calculation loop to generate planned orders for component shortfalls based on raw numbers.
- **Data Entry Values:**
 - **Planning Run No:** MRP-RUN-2026-Q3
 - **Planning Scenario:** [Dropdown Selection] Select Monthly Core MRP Horizon Run (Created in Step 44)
 - **Current Execution Status:** [Dropdown Selection] Select Calculation Completed Successfully (Created in Step 43)

User Action: Click **Save/Submit** to finalize the calculation run record.
