

— Step 37: Product Catalog Classifications —

- **Navigation Path:** settings -> Order Config -> product category -> click new

The screenshot shows a web application interface for COSMICNEXT. The top navigation bar includes links for ENQUIRY, QUOTATION, SALES ORDER, and CUSTOMERS, along with a user profile for 'robert baratheon'. A modal window titled 'Product Category' is open, featuring two input fields: 'Product Category' and 'Parent Product Category'. The modal also contains 'Cancel' and 'confirm' buttons. The background shows a sidebar with various menu items like Procurement, Inventory, Manufacturing, Logistics, Finance, and Order Management.

- **Purpose:** Groups commercial finished items for marketing, sales analysis, and unified reporting.
- **Data Entry Values:**
 - **Product Category Name:** Premium Lifestyle Drinkware
 - **Description:** Insulated thermal containers and performance gym bottles.

User Action: Click **Save/Submit** to register the category.
