

Step 10: Manufacturing → Planned Manufacturing Order

- **Navigation Path:** manufacturing -> planning -> planned manu. order -> + button

●

The screenshot displays the 'New Planned Manufacturing Order' form in the COSMICNEXT Supply Chain system. The interface includes a top navigation bar with 'TRANSACTIONS', 'PLANNING', and 'MASTER DATA' tabs, and a user profile 'robert baratheon'. A left sidebar lists navigation categories: Procurement, Inventory & Warehouse, Manufacturing, Logistics & Transport, Finance & Costing, and Order-to-Cash. The form itself is organized into two columns:

- Left Column:**
 - Planned Manufacturing Order No.:** A text field with the placeholder 'Planned Manufacturing Order Number'.
 - Factory Name:** A dropdown menu with the placeholder 'Select Factory'.
 - Start. Date:** A date picker with the placeholder 'mm/dd/yyyy'.
 - BOM No.:** A dropdown menu with the placeholder 'Select Bom'.
 - Material Planning No.:** A dropdown menu with the placeholder 'Select Material Planning'.
- Right Column:**
 - Material No.:** A dropdown menu with the placeholder 'Select Material'.
 - Planned Quantity:** A text field with the value '0'.
 - Finish. Date:** A date picker with the placeholder 'mm/dd/yyyy'.
 - Manufacturing Order Type:** A dropdown menu with the placeholder 'Select Manufacturing Order Type'.
 - Description:** A text field with the placeholder 'Description'.

At the bottom right of the form are 'submit' and 'cancel' buttons.

- **Purpose:** Schedules upcoming shop floor runs, connecting active customer order lines to current line capacity windows.
- **Operational Data Entry Values:**
 - **Planned Manufacturing Order No:** PLN-MO-2026-10K
 - **BOM Type Name:** Standard Production BOM
 - **Planned QTY:** 10,000
 - **Planned Start Date:** [Current Date + 2 Days]
 - **Description:** Planned production run to support order SO-2026-10K.
