

Step 5: Inventory & Warehouse → Material Planning Run Status

- **Navigation Path:** inventory & warehouse -> planning -> material planning run status -> + button

The screenshot displays the COSMICNEXT web application interface. A modal dialog titled 'Adding' is open, allowing the user to enter data for a 'Material Planning Run Status'. The dialog contains two input fields: 'Enter material planning run status' and 'Description'. At the bottom right of the dialog are 'Cancel' and 'Confirm' buttons. The background shows the application's navigation menu with options like 'TRANSACTIONS', 'PLANNING', and 'MASTER DATA', and a user profile 'robert baratheon'.

- **Purpose:** Manages background execution flags and processing logs for large planning data runs.
- **Operational Data Entry Values:**
 - **Material Planning Run Status Code:** RUN-COMPLETED
 - **Description:** Net requirements calculations processed with zero exceptions. Shortfalls successfully written to the internal Requisition table.
