

Step 34: Finance & Costing → Cost Settlement (Month-End Variance Closing)

- **Navigation Path:** finance & costing -> transaction -> cost settlement -> + button

The screenshot displays the 'New Cost Settlement' form in the COSMICNEXT Supply Chain system. The form is organized into two main sections. The left section includes fields for 'Cost Settlement Code', 'Actual Costs' (displayed as 0.00), 'Variance Amount' (displayed as 0.00), 'Cost Center Name' (a dropdown menu labeled 'Select Cost Center'), 'GL Account(Missing api)' (a text field with 'GL_Account_ID'), and 'Factory Name' (a dropdown menu labeled 'Select Factory'). The right section includes fields for 'Manufacturing Order No.' (a dropdown menu labeled 'Select Manufacturing Order'), 'Planned Costs' (displayed as 0.00), 'Cost Settlement Rule No.' (a dropdown menu labeled 'Select Cost Settlement Rule'), 'Profit Center Name' (a dropdown menu labeled 'Select Profit Center'), and 'Description' (a text field). At the bottom right of the form, there are 'submit' and 'cancel' buttons. The top navigation bar features tabs for 'TRANSACTIONS', 'PLANNING', and 'MASTER DATA', along with a user profile indicator for 'robert baratheon'.

-
- **Purpose:** Runs the final cost settlement process, clearing work-in-progress balances and updating corporate general ledgers.
- **Operational Data Entry Values:**
 - **Cost Settlement No:** SETTL-2026-MO-10K
 - **Manufacturing Order No:** MO-2026-DW-10K
 - **Posting Date:** [Current Month-End Date]
 - **Description:** Consolidating direct materials, 12 scrapped items, and 50 supplier returns to finalize the 10,000 bottle production run.
- **Settlement Core Mathematical Balances Engine Execution:**
 - $\text{\$5} \times \text{\$5.50} = \text{\$27.50}$
 - $\text{\$55,000.00} = \text{\$55,000.00}$
 - $\text{\$66.00} = \text{\$66.00}$

Action Check: Review line outputs, ensure the delta matches ledger limits, and click **Save/Submit** to complete the financial cycle.
