

— Step 31: MRP Material Planning Calculation Rules —

- **Navigation Path:** inventory & warehouse -> Planning -> Material Planning Method -> click +

The screenshot shows the COSMICNEXT web application interface. A modal dialog titled "Adding" is open, allowing the user to create a new Material Planning Method. The dialog has two input fields: "Material Planning Method" and "Description". The background shows the application's navigation menu with options like Procurement, Inventory, Manufacturing, Logistics, Finance, and Order Management. The user's name, "robert baratheon", is visible in the top right corner. The footer of the application states "Copyright © 2026. By Cosmic Next".
